Subject: Request to Review Travel Proposal

Hi Steve,

I'm writing to submit a proposal to travel to Lausanne, Switzerland to speak at and attend the Applied Machine Learning Days Conference on January 25-29, which I'll be submitting to OBM. Airfare, hotel, conference fees, and expenses would be paid by the conference. The details on the event are at <https://appliedmldays.org/>.

Please let me know if there's anything else you need from me. Thank you for your help.

Nick
